

Premium Fibreglass Builder Gel - Technical Specifications			
Transparent Series			
Performance Profile			
Curing Time	60 seconds under 48W LED Lamp		
Property	Rating	Score	
Transparency	★★★★■	4/5	
Hardness	★★★★★	5/5	
Viscosity	★★★██	3/5	
Flexibility	★████	1/5	
Structural Properties			
Property	Value		
Thixotropy	Medium		
Exothermic Reaction	Medium		
Adhesion	Medium		
Pinchability	Yes		
Key Characteristics			
• Superior long-lasting wear			
• Resistant to lifting and breakage			
• Ideal for weak, fragile, or recovering nails			
• Self-levelling formula for reduced filing			
• Medium viscosity for precision control			
• Perfect for pinching techniques			
• Smooth, effortless application			
Semi-Transparent Range			
Specifications: Same as Transparent Series
